PRICE PROPOSAL

VENDOR NAME:	
---------------------	--

Pricing shall be inclusive of all labor, delivery costs and other expenses necessary to provide product in accordance with the specifications and terms and conditions of this bid document and your proposal.

Project location & description

US 12 (Mill Pond Rd to CTH N) – 4 Lane Divided

US 12 (CTH N to STH 134) – 2 Lane Highway

US 12 (CTH P to CTH Y) – 4 Lane Divided

Both roads are existing concrete pavement with random longitudinal cracks and several areas of pavement failure/potholes. WisDOT will purchase a minimum of one semi-load of mastic material. The semi load is assumed to be a total of 46,500 lbs. Any material not used will remain the property of the Wisconsin Department of Transportation.

For purposes of bidding use the following assumptions.

- Approximately 2/3 of the material will be used to patch normal width random cracks.
- Approximately 1/3 of the material will be used to patch larger cracks and potholes.

The bidder awarded this contract is to review the project with WisDOT engineering staff to determine actual quantities for each material to be delivered prior to beginning work. This material is to be delivered to the Dane County Highway Shop at 2302 Fish Hatchery Road. All work is to be completed by August 31, 2021.

ITEM	DESCRIPTION	QUANTITY	UNITS	UNIT PRICE	TOTAL PRICE
1	Purchase of Mastic Material for Normal Random Cracks Material Type: _____. Specific Gravity*: _____ .	31,000	LBS	\$	\$
2	Purchase of Mastic Material for Larger Cracks and Potholes Material Type: _____. Specific Gravity*: _____ .	15,500	LBS	\$	\$
3	Primer/Tack Curing Material Material Tack Type: _____ .	55	GAL	\$	\$
4	Installation of Mastic Material	46,500	LBS	\$	\$
5	TOTAL BID				\$

***Note: Specific Gravity will be used to determine volume of area repaired per pound of material and used to compare bid prices.**
