BID AND SPECIFICATION OVERVIEW

Dane County as represented by the Purchasing Division will accept bids for the purchase of specified item(s) as described within this document.

Specification Compliance: Bidder shall complete every space in the area provided with either a check mark to indicate the item being bid is exactly as specified (**Yes**), or deviates from bid specification (**No**). Any deviation from the minimum specifications stated herein must be identified in detail in the Specifications Deviations section of the bid and must include a description of how the proposed item(s) differ from the bid requirements, along with detailed justification for such deviation. Bidder shall include photos and schematics as necessary, for complete clarification.

The specifications below describe an acceptable product. Minor variations in specification may be accepted if, in the opinion of County staff, they do not adversely affect the quality, maintenance or performance of the item(s). Dane County reserves the right to accept or reject any and all bids, to waive informalities and to choose the bid that best meets the specifications and needs of the County.

Term: The contract shall be effective on the date indicated on the Dane County purchase order or the Dane County contract execution date and shall run for one year from that date.

BID SPECIFICATIONS

Crushed Aggregate – County Projects

Bids must be submitted on the attached RFB forms. Dane County reserves the right to accept or reject any and all bids submitted; and to accept such bids deemed to be in the best interest of the County. The bids will be reviewed initially to determine if requirements are met.

GENERAL

All work and materials supplied under this proposal shall conform to the Standard Specifications for Road and Bridge Construction, 2022 edition (hereinafter referred to as the "Standard Specifications"), and all subsequent revisions and supplementary specifications, of the Wisconsin Division of Highways, Department of Transportation.

This bid is to provide material in a stockpile for pickup by the Dane County Highway Department for use on various projects. Haul distance to the project site will be factored into the bid award.

The special provisions in this proposal shall supplement and take precedence over the Standard Specifications.

The Dane County Highway and Transportation Department, the issuer of this bid proposal, shall hereinafter be referred to as "the County".

All projects included in this proposal are subject to available funds and budget restraints.

BID DEPOSIT/PERFORMANCE BOND

Each proposal must be accompanied by a certified or cashier's check payable to the Dane County Highway and Transportation Department, or by a bid bond, in the amount of 5% of the total amount bid.

Successful bidders shall also furnish Dane County with a performance bond equal to 100% of the contracted amount (Wis. Statute 779.14)

INSURANCE

Bidders shall carry insurance as required in the Standard Terms and Conditions, Section 20. The bidder shall furnish Dane County Highway and Transportation Department **along with the bid** a certificate of insurance showing the type, amount, class of operations covered, effective dates, and expiration dates of policies.

BASIS OF AWARD

Dane County shall consider the base unit price bid combined with the County's hauling cost to the individual project, which is computed at \$0.28 per ton-mile of haul on Class "A" highways from the bidder's stockpile. If the County has to haul from a material stockpile which is located on a town road, the successful bidder shall be responsible for any repair or maintenance that may be required on that road as a result of the hauling.

Dane County will choose the type of material and option that is most advantageous to the County, and each bid item (location) will be awarded separately.

NOTICE TO BEGIN

The contractor is required to have stockpiled material available by March 28, 2022 for CTH MN, April 11, 2022 for CTH BW, April 25, 2022 for CTH J (CTH JJ to CTH F) and June 1, 2022 for all other projects. Liquidated damages of \$100 per weekday will be assessed for any delay after official notification to begin.

PAYMENT

All material will be paid for by the ton unless otherwise noted in the bid. Each load must be accompanied by a ticket containing the appropriate weight information. In the event that an acceptable scale is unavailable, a unit price bid based on a volume measurement will be allowed if so noted on the pricing sheets. For total cost evaluation, volume measurements (cubic yards to tons) will be converted based on 2,800 lbs. per cubic yard. Dane County reserves the right to determine actual quantities provided if material is supplied on a basis other than weight.

GRADATION REQUIREMENTS

Aggregates shall comply with the gradation requirements as stated in Sections 301 through Section 311 of the aforementioned Wisconsin Division of Highways specifications, except as modified herein. Aggregate type and gradation number are called for on each price schedule sheet.
