**CHARLES HICKLIN**  
Controller

Date: July 9, 2020  
To: All Proposers  
Subject: Addendum #1 to Bid# 120063 – Aluminum Box Culvert & Arch Structural Plate

**The following questions were received and responses are provided:**

- 1. Will load ratings be required to be supplied for the aluminum box culvert?**  
**Yes, the awarded vendor and supplier will be required to provide load ratings.**
- 2. The thickness of the pipe arch plates is specified as 8 gage, is that correct?**  
**This specification was in the Price Proposal section for the Pipe Arch Structural Plate. The thickness of the pipe arch plate shall be 12 gage – not 8 gage.**

Please acknowledge receipt of this addendum by checking the “Addendum #1” box in **Section 2 – Vendor Information** of your bid submission. If you have any questions regarding this addendum, please contact me via phone or email as listed below.

Sincerely,

Pete Patten
