2.2 Scope of Services/Specification Overview

2.2.1 Project Description

Dane County is soliciting applications from organizations interested in operating a tenant based rental assistance program.

Funding is being made available under the Home Investment Partnership (HOME) Program.

Eligible Applicants

Public or private non-profit agencies or organizations including faith-based organizations.

Project Basics

Organizations selected as subrecipients to operate a tenant based rental assistance program will be expected to comply with the requirements in the *HOME Tenant-Based Rental Assistance (TBRA) Program Standards* for operating the program. These include, in part:

- Marketing the program.
- Conducting initial pre-screening, intake, and income eligibility determinations of applicants.
- Determining appropriate unit size, rental subsidies and household contributions for program participants.
- Ensuring potential rental units meet Section 8 Housing Quality Standards.
- Ensuring potential rental units constructed before 1978 are inspected for lead-based paint hazards. If deteriorated paint is found, ensuring it is properly remediated in compliance with the Lead Safe Housing Rule.
- Ensuring assisted rental units are rented for reasonable amount, compared to rents charged for comparable unassisted units.
- Reviewing the leases for all assisted units and ensuring they meet the requirements of §92.209.
- Managing and maintaining housing assistance contracts with participating landlords, including making timely rent payments.

Eligible Expense Categories

The following categories of expense shall be considered eligible for funding under the program.

SECTION 2 – PROJECT OVERVIEW AND SCOPE OF SERVICES

- The rental assistance and security deposit payments made to provide tenant-based rental assistance for program participants.
- The costs of inspecting assisted units.
- The costs of determining the income eligibility of assisted households.

Ineligible Uses of TBRA Assistance

The following categories of expense shall be considered ineligible for funding under the program.

1. Make commitments to specific owners for specific units/projects. Tenants must be free to use the assistance in any eligible unit;
2. Assist resident owners of cooperative housing that qualifies as home ownership housing. TBRA may, however, be used by a tenant who is renting from a cooperative unit owner;
3. Prevent displacement of, or provide relocation assistance to tenants as a result of activities other than the HOME Program.
4. Pay for the overnight or temporary shelter of homeless persons.
5. Duplicate existing rental assistance programs that already reduce the tenant's rent payment to 30 percent of income. For example, if a household is already receiving assistance under the Section 8 Program, the household may not also receive assistance under a HOME TBRA program.

Tenant Income Eligibility Requirements

1. Income limits are established by household size and revised annually by the U.S. Department of Housing and Urban Development (HUD). In order to be eligible, program participants' total Gross Annual Household Income must be at or below 60 percent area median income.
2. The income of each tenant will be determined in accordance with 24 CFR 92.203.

Lease Requirements

1. The lease between the tenant and owner must be for not less than one year, unless by mutual agreement between the tenant and owner.
2. The lease may not contain any of the provisions prohibited under §92.253.

Eligible Units

1. TBRA assisted units must be located in one of the participating municipalities of the Dane County Urban County Consortium. Location area may be expanded to all of Dane County if funds have not been committed to specific households within 9 months of the execution of the subrecipient agreement. The expansion of service area will be determined by Office of Economic and Workforce Development staff with consultation of the CDGB Commission.
2. TBRA assisted units must meet Section 8 Housing Quality Standards. The property must pass an HQS Inspection prior to the effective date of the TBRA assistance.

SECTION 2 – PROJECT OVERVIEW AND SCOPE OF SERVICES

3. Properties constructed or manufactured before 1978 must be inspected for lead-based paint hazards. If deteriorated paint is found it must be properly remediated in compliance with the Lead Safe Housing Rule.
4. TBRA participants may select units that are privately-owned. TBRA may not be provided to a family who proposes to rent a unit that receives a project-based rental assistance through Federal, state or local programs, if the HOME assistance would provide duplicative subsidy.
5. TBRA assisted units must rent for a reasonable amount, compared to rents charged for comparable unassisted units. Subrecipients administering a TBRA program on behalf of the County must document the basis for their rent reasonableness determinations

Occupancy Standards

Occupancy standards are used to provide consistent criteria for determining the unit size for which the household is eligible and thus, the amount of assistance to be provided. Fair housing rules permit a household to select smaller units that do not create seriously overcrowded conditions. Participants may also select larger units at their own expense (i.e., TBRA subsidy will not cover the increased cost of a larger unit). In addition to the number of bedrooms, both the size of the unit and the size of the bedrooms should be considered when evaluating the individual circumstances of the family.

1. No more than two persons are required to (or should) occupy a bedroom;
2. Persons of different generations (i.e., grandparents, parents, children), persons of the opposite sex (other than spouses/couples) and unrelated adults are not required to share a bedroom;
3. Children of the same sex, within 5 years of age, and couples living as domestic partners (whether or not legally married) must share the same bedroom for purpose of assigning the bedroom size on housing HOME Program TBRA Voucher;
4. A live-in care attendant who is not a member of the family is not required to share a bedroom with another household member;
5. Individual medical problems (i.e., chronic illness) sometimes require either separate bedroom for household members who would otherwise be required to share a bedroom or an extra bedroom to store medical equipment. (Note: Documentation supporting the larger sized unit and related subsidy is required.)
6. In most instances, a bedroom is not provided for a family member who will be absent most of the time, such as a member who is away in the military. A larger size HOME Program TBRA Voucher may be issued for an absent family member if individual circumstances warrant.

2.2.2 Objectives

To promote access to rental housing for low-income households through the provision of rental subsidy assistance.

2.2.3 Needs

1. Projects must assist low-and moderate-income persons in the participating municipalities of the Dane County Urban County Consortium.

SECTION 2 – PROJECT OVERVIEW AND SCOPE OF SERVICES

2. It is expected that projects will meet community needs documented through “hard” data sources.
3. Any additional funding needed to make the project viable must be secured in order for a contract to be executed.
4. Projects must be shovel-ready, meaning the project will begin in the year in which the contract is awarded.
5. Projects must be delivered in a cost effective manner with measurable performance outcomes.
6. It is expected that all or a portion of funds will be targeted to areas of greatest need.

2.2.4 Current Operations

2021 funds were awarded to Lutheran Social Services of Wisconsin & Upper Michigan in the amount of \$77,641.

SECTION 3 – PROPOSAL PREPARATION REQUIREMENTS

3.0 RFP RESPONSE PREPARATION REQUIREMENTS

Proposals shall be organized to comply with the section numbers and names as shown below. Each section heading should be clearly marked. Graphics may be included. The RFP sections which should be submitted/responded to are:

3.1 Attachment A – Vendor Information

3.2 Need and Justification

The project need and justification adequately describes the problem that is being addressed by the proposed project. Statements are substantiated with “hard” data sources. Provides a description of how funds may be targeted to areas of greatest need.

3.3 Beneficiaries

The application describes the population to be served. Additional points will be given to projects located in census tracts where 47.8% of the population are considered low-and-moderate income.

3.4 Project Approach

The application provides:

- A detailed description of the scope of work that will be undertaken and a description of how the work will address the identified problems.
- A description of any partnerships that have been or will be formed to ensure the success of the project.
- Plans for notice and the relocation process for tenants, if needed.
- A work plan for how the project/program will be organized, implemented, operated, and administered, and the timeline and milestones from initiation to completion. Work on the project – meaning funds will be spent – will begin in 2021.

3.5 Experience and Qualifications

The application provides documentation to justify the organization’s capacity to conduct this project. The project is consistent with the mission of the organization. The organization has undertaken projects of similar complexity to the one for which funds are being requested. There are staff resources with the skills and experience to administer and conduct an accountable and responsible project. There appears to be adequate board and management oversight.

3.6 Financial Information

The application clearly explains and justifies each proposed budget line item and why CDBG funding is required to make the project viable. An explanation of the bases of the cost estimates for the project is included. The budget is realistic. The organization is financially stable. Efforts have been made to secure and to leverage other funding for the project.

SECTION 3 – PROPOSAL PREPARATION REQUIREMENTS

3.7 **Mandatory Requirements**

The following general requirements are mandatory and must be complied with. NOTE: Programs not meeting the mandatory requirements will not be evaluated.

3.7.1 Be an eligible activity.

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

4.3 **Federal Labor Standards**

4.4 **Lobbying Certification**

Prior to entering into an agreement to provide services, the contractor will be required to sign a certification attesting to the following:

4.5 **Equal Opportunity Clause**

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order 11246 of Sept. 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended by Executive Order 11375 of October 13, 1967 and with the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965 as amended, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the contracting agency, County of Dane, HUD, and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, the contract may be cancelled, terminated, or suspended in whole or in part and the contract may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965 as amended, and such other sanctions may be imposed or remedies invoked as provided in Executive Order No. 11246 of September 24, 1965 as amended, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The contractor will include the provisions of paragraphs 1 through 7 in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965 as amended, so that such provisions will be binding upon each subcontract or vendor. The contractor will take such action with respect to any subcontract or purchase order as the contracting agency and/or County of Dane may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4.6 Affirmative Action to Ensure Equal Employment Opportunity (EO 11246)

This section is applicable to construction contracts/subcontracts exceeding \$10,000.

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Women = 6.9 percent (this goal applies nationwide)

Goals for minority participation = 2.2 percent (this goal applies county-wide)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area. If the contractor performs construction work in a geographic area located outside of the covered area, it shall apply the goals established for such geographic area where the work is actually performed. The contractor is also subject to the goals for both its federal and nonfederal construction.

3. The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3 (a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.
4. The contractor shall provide written notification to the awarding agency and the County of Dane within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

4.7 **Section 3**

Rehabilitation is considered a covered project for the purposes of Section 3. As such, a Section 3 Project Implementation Plan will be required by the Subrecipient and Statements of Commitment will be required by each Prime Contractor and any subcontractors.

Section 3 is triggered when the normal completion of construction and rehabilitation projects creates the need for new employment, contracting, or training opportunities.

HUD considers recipients of covered funding to be in compliance with Section 3 if they meet the numerical goals set forth at 24 CFR Part 135.30. Specifically:

- a. 30 percent of the aggregate number of new hires shall be Section 3 residents;

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

- b. 10 percent of the total dollar amount of all covered construction contracts shall be awarded to Section 3 business concerns; and
- c. 3 percent of the total dollar amount of all covered non-construction contracts shall be awarded to Section 3 business concerns.

All Section 3 covered contracts (contracts to direct recipients in excess of \$200,000, for Section 3 covered projects, and subcontracts excess of \$100,000) shall include the following clause (referred to as the Section 3 clause) in all bid documents, contracts, and subcontracts:

A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25

SECTION 4 – SPECIAL CONTRACT TERMS AND CONDITIONS

U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

4.8 **Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970**

The Uniform Act is a federal law that establishes minimum standards for federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The Uniform Act's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects.

Generally a displaced person under the URA is an individual, family, partnership, association, corporation, or organization which moves from their home, business, farm, or moves their personal property as a direct result of acquisition, demolition, or rehabilitation for a federally funded project. Displaced persons are eligible for relocation assistance under the URA.

Agencies conducting a program or project under the URA must carry out their legal responsibilities to affected property owners and displaced persons. Agencies should plan accordingly to ensure that adequate **time, funding, and staffing** are available to carry out their responsibilities.

Some of those responsibilities include:

For Real Property Acquisition

- Appraise property before negotiations
- Invite the property owner to accompany the appraiser during the property inspection
- Provide the owner with a written offer of just compensation and a summary of what is being acquired
- Pay for property before possession
Reimburse expenses resulting from the transfer of title such as recording fees, prepaid real estate taxes, or other expenses.

Please note that agency responsibilities for voluntary acquisitions differ.

For Residential Displacements

- Provide relocation advisory services to displaced tenants and owner occupants
- Provide a minimum 90 days written notice to vacate prior to requiring possession
- Reimburse for moving expenses
- Provide payments for the added cost of renting or purchasing comparable replacement housing

For Nonresidential Displacements (businesses, farms, and nonprofit organizations)

- Provide relocation advisory services
- Provide a minimum 90 days written notice to vacate prior to requiring possession
- Reimburse for moving and reestablishment expenses
