BID AND SPECIFICATION OVERVIEW

Dane County as represented by the Purchasing Division will accept bids for the purchase of specified item(s) as described within this document.

Specification Compliance: Bidder shall complete every space in the area provided with either a check mark to indicate the item being bid is exactly as specified (**Yes**), or deviates from bid specification (**No**). Any deviation from the minimum specifications stated herein must be identified in detail in the Specifications Deviations section of the bid and must include a description of how the proposed item(s) differ from the bid requirements, along with detailed justification for such deviation. Bidder shall include photos and schematics as necessary, for complete clarification.

The specifications below describe an acceptable product. Minor variations in specification may be accepted if, in the opinion of County staff, they do not adversely affect the quality, maintenance or performance of the item(s). Dane County reserves the right to accept or reject any and all bids, to waive informalities and to choose the bid that best meets the specifications and needs of the County.

BID SPECIFICATIONS
Aluminum Box Culvert – CTH V 02 1.989

GENERAL

All materials supplied under this proposal shall conform to the Bridge Manual and the Standard Specifications for Road and Bridge Construction, 2022 edition (hereinafter referred to as the "Standard Specifications"), and all subsequent revisions and supplementary specifications, of the Wisconsin Division of Highways, Department of Transportation. Aluminum box culverts shall be designed to **HL-93 standards** using the height of fill listed on the pricing page.

PURCHASE OF ITEM(S)

The Dane County Highway and Transportation Department will attempt to utilize the lowest bid when obtaining product, however the Department reserves the right to obtain product from the most advantageous vendor/location. In making this determination, the Department will consider availability of product and proximity of vendor to project to minimize hauling costs and/or assure that the product quality is not compromised by excessive travel time.

INSURANCE

Bidders shall carry insurance as required in the Standard Terms and Conditions, Section 20. The bidder shall furnish Dane County Highway and Transportation Department **along with the bid** a certificate of insurance showing the type, amount, class of operations covered, effective dates, and expiration dates of policies.

PRICING

Bidders may submit pricing for any one item or combination of items included in this bid. If product price is the same for various locations, only one bid proposal sheet is needed. If product price varies for different locations, please copy the blank form(s) as many times as needed.

GENERAL DESCRIPTIONS - INDIVIDUAL PROJECTS

Dane County intends to install the CTH V box culvert in September of 2022. The Corrugated Aluminum Box Culvert shall be delivered within 72 hours after notification by the Dane County Highway and Transportation Department that the excavation will be ready for installation. There shall be a damage claim of \$100 per day for any delay beyond the 72 hour notification. The supplier shall notify the County prior to 3:00 p.m. on the preceding day for delivery on Tuesday thru Thursday, or prior to 3:00 p.m. on the preceding Thursday for delivery on Monday.

The County will provide a machine and an operator to unload each box culvert from the delivery vehicle. The supplier shall coordinate with the operator to provide all other materials required to lift each box culvert from the delivery vehicle.
